

## **Why Work With the Film Liaisons in California Statewide (FLICS)**

### **Location Scouting & Digital Photo Library**

Contact a FLICS member for individual advice on possible filming locations for your production. Our digital photo library & pre-location scouting services are available at no charge. Contact us with a description of the location you need and we can email you images of suggested filming venues.

### **Local Film Industry Referral Service**

At no cost to your production....the FLICS databases are complete with local industry professionals for any filming-related service or product needed for your project, from craft services to a grip to a water truck!

### **Film Permitting Information— Knowledge of the State of California 44 FLICS covering the State from border to border**

The FLICS organization has up-to-date permit & contact information for both county & city jurisdictions . Blank on-line permits & filming contact information, free of charge! We have the local contacts to help you cut through red tape!

### **Accommodation Assistance**

Once a filming location has been chosen, the local FLICS office can work with your Production/ Location Manager to pre-select crew & VIP lodging tailored to your needs, keeping your production **ON TIME AND ON BUDGET!** We have the technology to respond to requests within 24 hours.

**KEEP YOUR PRODUCTION IN CALIFORNIA!**

**Let the FLICS help on your next project**
